THE TARMAC FOUNDATION DONATION FORM

Supporting The Tarmac Foundation, Inc. is an excellent way to receive recognition and advertising in various formats. TTF is a nonprofit, 501(C)3, organization that provides funding for girls ages 7-14 who want to improve their skill set and knowledge in basketball, faith-based ministries, and leadership concepts. We pride ourselves on giving players a solid foundation from which to thrive upon both on and off the court. The current initiative for TTF is to provide funding to girls both here in Tallahassee, Florida and in Uganda, Africa.

We strive to provide scholarships, new basketball shoes, Tarmac T-Shirts, basketballs, bibles, and basketball goals/courts to individuals both here in Tallahassee, Florida and Uganda, Africa. A mission's team plans to travel to Uganda, Africa in the fall of 2023 to provide resources to a congregation in South Rwenzori which will in turn educate their youth in basketball. Additionally, the team will formulate a structure that includes the fundamentals of basketball and the ministry of Christ. Your donation will allow for resources to be provided here in Tallahassee, Florida and Uganda, Africa. No donation is too small, and we thank you in advance for your support.
